

THOUGHTS FROM MY LAPTOP

There are times when I am absolutely amazed at the pace with which life proceeds. Here we are at the end of January and Christmas and the New Year are now memories, but very nice ones! We had many visitors at all of our Christmas services and received very positive feedback. So a big “Thank You” to all who made these services possible: to the Altar Guild, to Leslie Stott and her cast of characters, to the choir and Trinity Band, to the Servers and Sub deacons, Sidespeople & Greeters, Readers and Lay readers, and to all who participated in the services and helped in so many ways.

And now, looking ahead, February promises to be a busy month with many opportunities for ministry, mission, and spiritual growth and fellowship. The details of these events are listed elsewhere in this issue of Happenings, but for now, here are a few of the highlights: Spaghetti Dinner on Saturday February 4; Two Bible Studies, one on Tuesday evenings, and one on Wednesday Afternoons; the Annual Vestry Meeting on Sunday February 19; Shrove Tuesday and yummy Pancake Supper on February 21st; Ash Wednesday and the beginning of Lent on February 22; and the first of our series of Fridays in Lent on February 24th. The theme this year is “Listen and Learn through Lent: the Parables of Jesus”.

In the midst of all this activity, Rev. Janet and I will continue to serve as your Interim Priests. I have enjoyed my time with you this past year, and look forward to the remaining few months.
