

**THOUGHTS FROM MY LAPTOP** May 4, 2011

Last Wednesday the church was filled with the sound of worship, music and prayer, as people gathered for our Easter Shut-in Service of Holy Communion. Following the service, a delicious lunch was served in the church and everyone had a chance for fellowship.

It was a great joy to be part of this once again, as I was part of the group that began the tradition many year ago.

Several of those who attended said how much it meant to them to be back in Trinity again, and enjoyed the opportunity to visit with other members.

It would be impossible to list the names of all those who contributed towards this spiritually and physically nourishing day. Instead I will just name the various groups and the service they provided: the musicians, drivers, lunch team, phoning team, ushers and sides-people, and staff who were there to plan and co-ordinate the entire event. In short, our thanks to all those who made this event such a wonderful occasion.

*Rev. Elizabeth*
