

## THOUGHTS FROM MY LAPTOP

Yesterday I was enjoying the sunrise and realizing with some sadness that the “lazy crazy hazy days of summer” are over (as per the 60’s hit by Nat King Cole). And now, in the blink of an eye, September has arrived and life has picked up its pace again. Normally during the interim period there are very few things happening in terms of program and events. However, God seems to have stirred us up and as a result, we have acquired a fairly active fall schedule. There are a number of interesting events and programs about to begin described elsewhere in Happenings. Please make note of them on your Calendar and plan to participate. We would love your input and need your support.

One of the items on our fall schedule is the Diocesan Fund raising Campaign, “Our Faith, Our Hope: Re-imagine Church”. The members of Trinity are being asked by the Diocese to prayerfully consider a donation to this Campaign. In light of this request, Rev. Janet and I, and the Campaign Team are doing our best to keep you informed about the Campaign, through meetings, letters, and parish visits. We realize that there will be a variety of responses: some of you will be willing and able to give a donation, and some will not. With that in mind, we simply ask that you learn about the campaign, its goals and objectives, and in particular, how it will help the Diocese and Trinity move into the future.

The interim period is rapidly unfolding. The congregation seems revitalized, members are involved in ongoing bible study and ministry, and although there is some anxiety about the future, there is an interest and a need to move ahead and embrace the future to which God is calling us. In the midst of these signs of health and growing vitality, our selection committee is moving ahead with the search for a new Incumbent. Meanwhile please continue to support them in prayer.

Thank you, and God Bless,  
Rev. Elizabeth
