## Vacation Bible Camp (VBC)

### Beach Party: Surfin' Through the Scriptures

A huge **THANK YOU** to the whole VBC Team and everyone who helped make this year's "Beach Party" a wonderful fun-filled experience for the campers and team alike. We thank God for all His provisions and for the opportunity to share time and some Bible truths with the children. We have all learned – adults and children alike. We are so

thankful to the team who put so much effort into preparing for our week and then putting what they prepared into action for the children. We were all blessed.

VBC Coordinators

### PARLIAMENT -- Bill C-10

Bill C-10 is currently before Parliament. It is an amendment to the Income Tax Act which would allow the government to set criteria on the allocation of tax credits to film productions that are contrary to public policy. Prior to this amendment pornographic and violent movies would be given grants even though they would be considered offensive by the vast majority of Canadians. For more information contact our local member of Parliament Patrick Brown.

### PENNY JAR

If you'll put some more pennies in the jar at the back of the Church, the Women's Fellowship will be penny wise and neither pound foolish, nor loony-tune-ish. However we reserve the right to turn each 100 pennies into a loony and use it for a good purpose.

\*If anyone has some special good news, please let us know so that we can mention it in Happenings!  
(728-2691).

## HOW TO BE LOVING WITH ZACK AND SARAH

One day there were two kids. The younger one was small and her name is Sarah. There was also an older boy named Zack. The younger girl was getting bullied. The older boy was very *compassionate* and he protected the younger girl. He was compassionate like the broad-brimmed sunhat that protects your body from the sun.

Then one day Zack dropped his sandwich. The girl, Sarah, was *kind* and she shared her lunch. She was very kind - much like glasses that help you to see where kindness is needed.

Then one day when they were walking together a kid, the neighbourhood bully, pushed Zack into Sarah and they both were scratched up. Zack and Sarah instead of getting back at the bully, they still treated him with respect and *humility* like the towel which when wrapped around you doesn't make you look or be any better than someone else.

Sarah had new-born twins. It was a sister and a brother and she had to be *gentle* like being meek in our Bible Story where the hoola hoop showed us how to stay *meek* and within our boundaries, not to bully or push others around.

Then Zack went to see a movie that was at 10 a.m., but he thought it was at 9:00 a.m. Zack had to be *patient* and wait. It was like being patient when walking beside someone who is hurt or in danger.

Zack and Sarah both were compassionate, kind, humble, meek/gentle and patient like they showed it in this story.
